

Lunch Plans – Discovery Elementary

APS is committed to ensuring the health and safety of our staff and students throughout the entire school day. In accordance with CDC and VDH guidance, we will continue to protect student health and safety during meals.

Lunchtime Health and Safety Procedures

Every school will consistently implement the following health and safety measures during lunch:

1. Cafeteria or other dining spaces and frequently touched surfaces will be regularly and thoroughly cleaned by custodial staff between mealtimes.
2. Students will be provided with opportunities to wash their hands with soap and water or use hand sanitizer before and after eating. Time will be provided for handwashing and sanitizer will be readily available for student use.

Discovery Elementary Dining Protocols

FULL OUTSIDE LUNCH PLAN:

Students will dine outside daily, weather permitting. If weather is uncooperative, we will move inside.
